Public Services-M.R.S.S.-Exclusion of names in the
list of Tahsildars-Fixation of seniority.

It is observed that while selecting the names of candidates for inclusion in the approved lists of Tahsildars for each district, the Bd. of Rev. has not been fixing the seniority of the candidates, but that it is left to the Collectors concerned to determine the seniority ~~by making~~ by making the actual appointment from amongst the entire list of approved candidates as and when the necessity arises. The question has been raised whether the Board ~~should not~~ should not be asked to attend to the ranking of the persons also at the time of inclusion of names in the approved lists of Tahsildars instead of leaving such ranking to the discretion of the Collectors. The Board is requested to offer its remarks on the suggestion at an early date.
